Final Notes

- This is **your chance to rehearse CAT Day** before the real thing.
- **You *must* upload your actual CAT 2026 Admit Card** for auto-allocation of test slot. Slot booking will not be considered complete, and no OPEN CDC 5 Admit Card will be generated, without the CAT Admit Card (to be uploaded before 11th November 2026, 11:59 PM).
- You are required to **upload accurate information, including a valid photograph and correct contact details**. Any mismatch between the uploaded photo and the individual appearing at the center will lead to denial of entry, and the student will be asked to leave the venue. This will be enforced strictly in line with CAT exam norms.
- Treat it like the actual exam — timing, pressure, environment — everything counts.
